ENGINEERS / QA/QC

- Mechanical
- Civil
- Safety Managers
- Electrical Instrumentation
- Piping
- Structural
- Painting
- Insulation
- Planning
- Scheduling
- Estimation
- Quality Control

ELECTRO MECHANICAL WORKFORCE

- Pipe Fabricator
- Pipe Fitter
- Millwright
- Instrument Technician
- Instrument Fitter
- Industrial Electrician
- Tig & Arc Welder
- 6G & 3G Welder
- Rigger II TUV Certified
- Rigger III TUV Certified
- Scaffolder TUV certified

CIVIL WORKFORCE

- Mason
- Steel Fixer
- Plumber
- Painter
- Carpenter

ADMINISTRATIONAL PERSONNEL / OTHERS

- Executive Secretary
- Document Controller
- Site Administrator
- Project Coordinator
- Secretary
- Assistant Admin.
- Safety Officer

GENERAL WORKFORCE

(Note : * denotes TUV Certified)

- Light Driver
- Heavy Driver
- Mechanic Helper
- Crane Operator
- Forklift Operator
- Bob Cat Operator
- Man Lift Operator
- Boom Truck Operator

SUPERVISORS / INSPECTORS

- Civil Surveyor
- Safety Inspector
- Electrical Supervisors / Foreman
- Instrument Supervisors / Foreman
- Piping Supervisors / Foreman
- Mechanical Supervisors / Foreman
- Structural Supervisors / Foreman
- Rigging Supervisor
- Material Coordinator
- Auto cad operator

MATERIAL DIVISIONS **SCAFFOLDING SUPPLY & ERECTION**

Arabian international resources is one of the most prominent & most successful companies sell & rent & the purchase of steel scaffolding & formwork & casting molded mineral in the Middle East & the global reach of the market. Provide an appropriate environment to attract customer & achieve customer satisfaction to provide excellent services efficiently, effectively & transparently, through the application of the concepts of total quality & activating a sense of partnership & translate it into reality checks that.

SCAFFOLDING TUBES & FITTINGS

Executed by the experts

Low noise demolition service

INDUSTRIAL MATERIAL SUPPLY

MATERIAL DIVISIONS

ELECTRICAL SAFETY & IT MATERIALS

Arabian International Sources Material Supply is a fully integrated application designed to close the loop between you and your supplier by supporting the outsourcing of your manufacturing. The system facilitates issuance of component materials to a supplier in conjunction with the placement of a purchase order (PO) for both planned and unplanned assemblies. Material Supply lets you identify outsourced items, generate a bill of materials structure for assembly and issue/track outsourced components until they are returned. In addition, the system's integration with various financial management tools lets you perform financial and audit control functions

MATERIAL DIVISIONS

MECHANICAL
